

RAM

2012 RAM 1500

IT'S RIGHT HERE. LEGENDARY DURABILITY

2012 RAM 1500. STAND AND DELIVER. It stands up to all of it: hauls from rock quarries to tailgates at rock concerts. It delivers everything from slabs of granite to reliability you can count on for years. This is Ram 1500 — where standing up to every job means backing down from none. Ram 1500 assumes this aggressive attitude by offering strengths sadly unmatched by the competition. Like a departure from their typical leaf-spring rear suspensions, with the Ram 1500 class-exclusive five-link coil spring rear suspension:^{[1]*} think the durability, comfort, and strength of a train. Like an available and legendary 5.7-liter HEMI® V8. Like more availability than ever with the class-exclusive RamBox® Cargo Management System.^[1] Like backing you for 5 years/100,000 miles of powertrain warranty.^[2] It's so right for everything you do. Here. In the 2012 Ram 1500.

*A note about this brochure: All disclaimers and disclosures can be found inside the back cover. †Late availability for 6'4" beds. The Best Buy Seal is a registered trademark of Consumers Digest Communications, LLC, used under license.

CLASS-EXCLUSIVE: Rear Store-In-Floor Storage Bins^[1]

There's a reason why Ram 1500 Crew Cab models offer such extraordinary capability, and part of that is the service and security that come from these singular and very convenient in-floor storage bins.

CLASS-EXCLUSIVE: The Five-Link Coil Spring Rear Suspension,^[1] Standard It's the stuff that trains ride on, and no other pickup in the class has it. The Ram 1500 rear suspension offers outstanding ride comfort while providing superb support for payloads.

BEST-IN-CLASS: Aerodynamics^[1]

Proof that good things come in large, powerful, and capable packages. With an astonishing low coefficient of drag of only .387, the Ram 1500 aerodynamics encompass benefits that range from quietness of ride to overall reduction of noise, vibration, and harshness.

CLASS-EXCLUSIVE: RamBox Cargo Management System,^[1] Available Don't even look for this on other trucks. Two lockable, lit, and drainable bins on each side of the cargo bed are augmented by a cargo bed extender/divider and cleated cargo rails. A number of Authentic Accessories by Mopar® add versatility to the RamBox System — and for 2012 Ram 1500, it's now available for every cab and trim level.†

CLASS-EXCLUSIVE: Factory Dual Exhaust System,^[1] Available Increased air flow through the exhaust system after combustion translates into more efficient engine operation.

THE ULTIMATE ONE-FOR-ALL WORKER. Over 50 years of ongoing improvements have resulted in a 5.7-liter HEMI® V8-powered Ram 1500 for all of it: towing, payload, power, and reliability. From the first moment of acceleration, you know you're in charge of an exceptional power plant, with advantages that include the innovative Fuel Saver Technology and Variable Valve Timing (VVT). HEMI V8 quality is measured in terms of time and distance, with a fully transferable 5-Year/100,000-Mile Powertrain Limited Warranty.^[2]

HEMI 390HP 20MPG⁽³⁾

5.7-LITER HEMI V8

With Variable Valve Timing, Fuel Saver Technology, and an Active Intake Manifold, the HEMI V8 is pure power for Ram pickups, generating 390 horsepower and 407 lb-ft of torque.

STANDARD OR AVAILABLE, DEPENDING ON TRIM LEVEL

390 horsepower @ 5,600 rpm
407 lb-ft of torque @ 3,950 rpm

FOR JOBS, FOR PLAY: PUT 101% CAPABILITY TO WORK FOR YOU.

FUEL SAVER TECHNOLOGY: This technology articulates fuel-efficient performance while delivering on-demand power for towing and acceleration. Fuel Saver Technology seamlessly shuts off four of the eight cylinders under a wide range of driving conditions. The automatic transformation from a mighty V8 into a fuel-sipping 4-cylinder has a positive effect on efficient daily operation and helps the overall cost of ownership. (Figure 1: cylinder deactivation).

VARIABLE VALVE TIMING: The application of this technology in the HEMI V8 results in improved performance and more efficient overall operation. VVT focuses on engine breathing throughout the rpm range, ensuring increased torque for towing and hauling.

SHORT RUNNER VALVE (SRV) ACTIVE INTAKE MANIFOLD: The SRV controls air intake flow more efficiently by changing port length based on engine rpm. SRV engineering contributes to both horsepower and torque improvements, and is a contributing factor to why this engine has earned the respect of so many over the years.

Fig. 1: It's an 8-cylinder for the tough jobs, an efficient 4-cylinder for the cruise. Sometimes less is truly better.

4.7-LITER FLEX FUEL V8

Incorporates high-flow cylinder heads and exhaust manifolds, with dual spark plug technology and E85 (ethanol) compatibility. 310 horsepower, 330 lb-ft of torque.

AVAILABLE ON SELECT TRIM LEVELS

3.7-LITER V6

Capable and competitive, this proven performer for Ram 4x2 models features Electronic Throttle Control and churns out 215 horsepower and 235 lb-ft of torque.

STANDARD ON ST

TRANSMISSIONS

42RLE 4-SPEED AUTOMATIC. With the capability and sophistication to handle unexpectedly large tasks, this transmission also features the Tow/Haul Mode and Electronic Range Select (ERS).

STANDARD WITH 3.7-LITER V6 ENGINE IN 2WD APPLICATIONS

NEW: 65RFE 6-SPEED AUTOMATIC. Takes Ram 1500 to the next level of technology and capability — and standard on the big engines.

STANDARD WITH 4.7-LITER AND 5.7-LITER V8 ENGINES IN 2WD/4WD APPLICATIONS

TRANSFER CASES

NVG243 TRANSFER CASE. A part-time, two-speed transfer case, with three operating ranges plus Neutral. Constructed of durable yet lightweight aluminum. Electronically operated, with instrument panel-mounted switch.

STANDARD ON 4X4 ST, TRADESMAN, EXPRESS, SLT, OUTDOORSMAN

BW44-44 TRANSFER CASE. This two-speed transfer case operates on-demand, and features four operating ranges, plus Neutral. Electronically operated, with instrument panel-mounted switch. At the low end of the operating range, the reduction ratio is a robust 2.64:1.

STANDARD ON 4X4 BIG HORN, SPORT, LARAMIE, LARAMIE LONGHORN

A REAR SUSPENSION LIKE NO OTHER.

Class-exclusive,^[1] the Ram 1500 five-link coil spring rear suspension delivers outstanding maneuverability, superb ride comfort, and uncompromised road manners.

COMFORTABLY CONNECTED.

MAKE THE WORLD YOUR COMFORT ZONE.

Sometimes life is run on all cylinders. The 2012 Ram 1500 interior features the designed-in engineering to pull it all back into a measured pace with ample space. This is an interior that addresses it all: comfort,

ergonomics, and electronics. Count on dozens of available Authentic Accessories by Mopar® — like the Web^[6]/Nav capability — that are increasingly part and parcel of daily communications. Stay connected to everyone who's important: friends, family, colleagues. In Ram 1500.

Available heated seats bolstered by available ventilated seats.

Control at your fingertips, even when you're wearing gloves.

Available premium stitching factors in to unmistakable Ram quality.

Available EVIC provides system info with instant convenience.

AVAILABLE COMFORT FEATURES. Heated and ventilated front seats ♦ Stain- and odor-resistant cloth seats ♦ Saddle-stitched leather-trimmed seats ♦ Premium cloth low-back bucket seats ♦ Heated steering wheel ♦ Power adjustable pedals ♦ Sunroof for Quad Cab® and Crew Cab models ♦ Rear defroster ♦ Rear-seat video (except Regular Cab) ♦ Media Center radios ♦ Premium speakers ♦ Chrome Tubular Side Steps

IN TOUCH, IN TUNE. Outfit your Ram with Uconnect® and you've got a hub for your most important media: cell phone, Internet,^[6] (an available Authentic Accessory by Mopar), SiriusXM™ Satellite Radio,^[9] navigation system, and personal devices, such as an iPod® or smartphone. Add SiriusXM Advanced Audio^[9] and enjoy features like Song Title Save, Song/Artist/Composer information, Game Alerts for sporting events, Traffic Jump, Channel Browsing (without switching stations), Favorite Song Storing — and much more.

PHONE. Talking on the phone while driving has never been easier — or more responsible. Uconnect Phone is the in-vehicle, voice-activated communication system that allows you to pair up to seven Bluetooth® compatible phones and then talk virtually hands-free. This system is also clever enough to synchronize with your phone's address book^[7] — up to 1,000 entries — every time you get into your vehicle. Remote USB port lets you charge mobile devices.

WEB.^[6] Put the power of high-speed Internet in your vehicle with the available Uconnect Web.^[6] Effortlessly connect any WiFi-enabled device to the Internet at 3G broadband speeds, making your Ram a mobile Hotspot within a 150-ft range. Passengers can use multiple devices at the same time. There's no need for cell cards or software with this unique Authentic Accessory by Mopar. It's all wireless.

VOICE COMMAND.^[8] It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Vocally select AM/FM radio stations, SiriusXM Satellite Radio^[9] channels, make and receive calls, select navigation destinations, and record voice memos. Utilizing smart technology, the Voice Command^[8] system can also be trained to better recognize your voice, and can understand commands in English, French, and Spanish.

MULTIMEDIA. Manage all of your media. You'll have six ways to access audio, including SiriusXM Satellite Radio^[9] (your first year of service is included), plus a 40GB hard drive and iPod control with Voice Command.^[8] Wirelessly stream music through Bluetooth streaming audio. Rear-seat video can be utilized in multiple ways, including playing your personal DVDs, a variety of compatible multimedia devices, and operating numerous gaming consoles.

NAVIGATION SOLUTIONS. Choose from either Garmin®, or the Enhanced GPS Navigation Systems. Garmin is easy to use, with numerous features including Lane Guidance. The Enhanced GPS Navigation provides destination entry via Voice Command^[8] and SiriusXM Traffic^[10] for real-time traffic info on the go. Add SiriusXM Travel Link^[11] for local fuel and movie info, even sports scores and stock market figures.

The Ram 1500 Laramie Editions. This is one sweet inside job: A cab so intelligently well-appointed, it makes pulling that utility trailer to the site or that boat to the launch ramp all play and no work. Got designs on the good life? The phenomenal 2012 Ram 1500 Laramie and Laramie Longhorn models leave little to be desired — and leave the competition far behind.

LIFE IS GOOD — WHEN YOU START IN LARAMIE. Standard: 5.7-liter HEMI® V8 with VVT and Fuel Saver Technology ♦ New 6-speed automatic ♦ 20-inch chrome-clad aluminum wheels ♦ Dual exhaust with refined power note ♦ Chrome power heated mirrors ♦ Two-tone paint ♦ Heated leather-wrapped steering wheel ♦ Media Center 730N touch-screen radio with Navigation ♦ Premium surround sound audio ♦ Power heated leather-trimmed front seats ♦ Memory for mirrors, seats, pedals, radio ♦ Security alarm

LARAMIE LONGHORN: MOST LUXURIOUS RAM EVER. Premium full-leather seats with or without the distinctive custom laser-etched design ♦ Heated and ventilated front seats ♦ Heated rear seats ♦ Premium leather accents on the console lid, steering wheel, shift lever and door trim ♦ Premium instrument cluster with silver filigree accents ♦ Burlled walnut wood accents on the center stack bezel and door panel trim ♦ Premium leather saddle bag pouches with silver buckles designed into the rear of the front seats ♦ Premium all-weather floor mats with snap-out easy-clean carpet inserts

Ram 1500 Laramie instrumentation, shown with available features.

ONLY RAM
HAS IT.

The distinctive Ram 1500 Crew Cab Laramie Longhorn interior in Bark Brown with Light Pebble Beige accents and premium laser-etched leather seats.

FULLY BOXED FRAME.

It carries tough payloads — and it carries on the tradition as the strongest frame ever in a Ram. Fully boxed, partially hydroformed, and comprised of Advanced High Strength Steel, the Ram frame is built for service and helps provide safety and security. The tensile strength here carries one of the top ratings in the business: 85,000 psi, ensuring superb ride and handling characteristics — and bulletproof reliability.

ADVANCED MULTISTAGE FRONT AIR BAGS.^[1]

Standard on every Ram 1500 model. Deployed in the event of a frontal impact, these air bags are indispensable assets to help protect front occupants. Crash-sensitive, they self-adjust to the force level needed.

DUAL-ACTION SIDE-CURTAIN AIR BAGS.^[1]

We definitely take sides when it comes to protection. These curtains are designed to deploy from top downward, providing full coverage of the side windows.

EARS: WE HEAR YOU, LOUD AND CLEAR.

EARS — the Enhanced Accident Response System — goes the extra mile in the event of an accident when the air bag is deployed and when the vehicle's power and communications remain intact. EARS turns on interior lamps, unlocks the doors, engages the hazard flashers, and initiates automatic fuel shut-off.

**ENERGY-ABSORBING FRONT RAIL TIPS AND FORTIFIED CRUSH ZONES.**

At the fore, front rail tips are the first to absorb impact energy, deflecting it from the vehicle's occupants. Specialized (and fortified) crush zones in the engine compartment help absorb further energy in the case of more severe frontal impacts.

BRAKE ASSIST.

This is part of the Ram 1500 ESC^[5] system, and it contributes to peace of mind and vehicle control during unexpected braking maneuvers. The system can sense the speed or force used on the brake pedal. If it senses great force — the indication to stop immediately — it instantly applies full pressure to help shorten stopping distances.

HIGH-STRENGTH STEEL: CAB AND DOOR BEAMS.

To complement that tough 85,000 psi steel frame strength, High-Strength Steel is employed in the structural inserts of the cab to increase intrusion resistance. Side door beams — also of high-strength, low-alloy steel — are strategically placed where a vehicle would make first impact.

AVAILABLE PARKSENSE[®] REAR PARK ASSIST.^[4]

In either the Reverse or Neutral gears, four ultrasonic sensors installed in the rear fascia can detect objects up to 6.4 feet away. Aural signals and visual displays help warn the driver of possible obstructions and impacts when backing up at low speeds.

TESTED TO THE EXTREME!

EVERYWHERE YOU LOOK, RAM MAKES THE GRADE. Subjected to road conditions, temperature extremes, and shock treatments far beyond anything you'd ever dare, your Ram 1500 was put through preproduction testing best described as brutal. The results? A pickup designed and built for reliability you can count on — even to the extreme.

EXCEPTIONAL BRAKE PROGRESS. The most comprehensive and advanced standard braking system on a Ram features available power memory adjustable brake pedals. This four-wheel Antilock Braking System (ABS) is an electronically operated independent multichannel system for individual control of each brake, and is part of the Electronic Stability Control (ESC)^[5] system.

ELECTRONIC STABILITY CONTROL (ESC)^[5] Using information from ultrasensitive sensors that instantly detect slippage, ESC monitors driver input with software designed to help the driver maintain vehicle directional stability under many different driving conditions. Along with the four-wheel ABS, ESC also includes:

- ◆ **BRAKE ASSIST.** Senses the speed or force used to press the brake pedal. It's so refined, it can determine that an emergency stop is underway, then instantly apply full braking pressure to help shorten the stopping distances.
- ◆ **ELECTRONIC ROLL MITIGATION (ERM).** If ERM detects a potential rollover (a corner taken too sharply, a sudden swerve to avoid a problem), it automatically applies the correct brakes and fine-tunes the throttle.
- ◆ **HILL START ASSIST (HSA).** Invaluable when off-road or when towing on inclines; HSA maintains brake pressure until engine torque has reached appropriate levels.
- ◆ **TRAILER SWAY CONTROL (TSC)**^[6] Recognizes a swaying trailer and automatically applies an individual wheel's brakes and/or reduces engine power in an attempt to eliminate the sway. TSC applies brake pressure on all four wheels to slow the vehicle, while increasing pressure on one front wheel to counteract the sway.
- ◆ **ALL-SPEED TRACTION CONTROL.** Wheel slippage in wet or icy conditions is reduced to a minimum by adjusting engine speed and applying the brakes.

While not part of the ESC system, Ram 1500 also features this invaluable asset:

- ◆ **TIRE PRESSURE MONITORING SYSTEM.** Standard on all models. Significant reductions of air pressure in any tire result in audible and visible alerts. On Ram trucks equipped with the Electronic Vehicle Information Center (EVIC), real-time actual tire pressures are displayed.

OUTSTANDING CONTROL WHEN YOU'RE ON THE GRADE. If there's one area where control is critical, it's when you're towing. The new available electric-over-hydraulic trailer brake capability offers technology that takes Ram 1500 into a new class of control. Invaluable multiple selections let you adapt the trailer brake controller to the exact characteristics of your trailer — including multi-axle trailers.

BEYOND CAPABLE.

LIGHT-DUTY EFFICIENCY. HEAVY-DUTY ATTITUDE.

It's built with engineering tailor-made for heavier loads. Or, more to the point, *trailer-made*. Every Ram automatic transmission features Electronic Range Select (ERS) and the Tow/Haul Mode to optimize shift points and gear selection when towing. All V8 engines have heavy-duty cooling systems. Available fully integrated electric-over-hydraulic trailer brake controller tops it off. This is towing made easy and efficient.

RAM 1500. IT JUST WORKS OUT SO WELL. Count on nine different trim levels, with Ram Tradesman delivering job-rated capability. Each gives you interior room and work capability that's right for your specs. ♦ Three efficient and tough engines, including the available 5.7-liter HEMI® V8 with VVT and MDS Fuel Saver Technology ♦ New 6-speed automatic transmission (available with 8-cylinder power plants) ♦ Transmissions with Electronic Range Select and Tow/Haul Mode ♦ Available integrated Trailer Brake Controller ♦ Choice of part-time or on-demand transfer cases ♦ Up to 43 innovative and convenient storage areas ♦ Standard integrated 4- and 7-pin trailer wiring harness/connectors ♦ Available Class IV trailer hitch ♦ Standard Electronic Stability Control (ESC)^[5] includes 4-wheel ABS, Brake Assist, All-Speed Traction Control, Hill Start Assist, Electronic Roll Mitigation, and Trailer Sway Control^[5] ♦ Tire Pressure Monitoring System

**ON THE
JOB**

THE COST OF DOING BUSINESS
JUST WENT DOWN.

THE INCENTIVES YOU NEED TO HELP YOUR BUSINESS SUCCEED.

Running a business presents plenty of challenges. Like cutting costs, not corners.

The ON THE JOB^[12] commercial incentive program provides enormous assistance in purchasing, customizing, and servicing your business vehicles.

See your dealer for specific program rules and details, or call us toll-free at **877-ONTHEJOB (877-668-4356)**.

Among the most popular ON THE JOB incentives:

- **NO-EXTRA-CHARGE LUBE/OIL/FILTER**
For all Chrysler, Jeep®, Dodge and Ram vehicles. Includes gas and diesel engines.
- **COMMERCIAL GRAPHICS ALLOWANCES**
For all vehicles. \$250/\$500/\$1,000 Commercial Graphics Program Allowances.
- **COMMERCIAL EQUIPMENT/UPGRADES**
\$1,000/\$500 Allowances for Upgrades.
\$1,000 Snowplow/Factory Box-Off/Field Box-Off Allowances.
\$500 RamBox® Cargo Management System Allowance.

AUTHENTIC RAM ACCESSORIES

Mopar[®]. Inspiring truck owners with innovative parts and accessories — all made-to-spec for your Ram truck. This is what Mopar delivers, along with expert, caring service. Mopar technicians are the masters of your make and model, with access to the authentic tools and diagnostic equipment that help get the job done efficiently and effectively. Choose authentic Mopar parts and service, and you'll drive away with peace of mind. Visit mopar.com or your dealer for more information on the full line of Authentic Ram Accessories.

Above: Ram 1500 Crew Cab in Deep Cherry Red Pearl shown with Authentic Ram Accessories by Mopar: Chromed Honeycomb Grille Inserts, 20-inch Chrome-Plated Cast-Aluminum Wheels with available 35-inch Tires, Body Kit, Sport Performance Hood, Sport Performance Hood Decal Kit, and Chrome Bed Side Rails.

1 UTILITY. It protects — but check out the sharp look it gives your Ram. This Tri-Fold Tonneau Cover secures the cargo area with its simple-to-use and versatile design.

2 STYLISH FUNCTION. Tough as nails: Chrome Tubular Side Steps ease getting in and out — and add very cool street cred to your Ram 1500.

3 PROTECTION. From durable dealer-installed drop-in bed liners to a variety of stylish seat covers, Mopar takes a no-nonsense approach to helping you keep your Ram exterior and interior in top-shape condition.

4 CONVENIENCE. Stop reaching and straining. Rear Bed Step operates with simple foot motions, and offers practical and instant access to the cargo bed area.

Ram HD model shown.

CHRYSLER | JEEP | DODGE | RAM

^[1]Based on *Automotive News* classification. ^[2]Transferable. See dealer for complete details and a copy of the 5-Year/100,000-Mile Powertrain Limited Warranty. ^[3]Based on EPA est. 14 city to 20 hwy mpg 4x2. Results depend on driving habits and conditions. ^[4]Always check entire surroundings before backing up. ^[5]No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice, and other conditions can affect. When the ESC warning lamp in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. ^[6]Sold separately. Subscription required. Uconnect Web feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. ^[7]Phone must support Bluetooth Phone Book Access Profile (PBAP). ^[8]Requires Uconnect Phone. ^[9]Sirius services require subscriptions, sold separately after the 12-month trial included with new vehicle purchase. See our Customer Agreement for complete terms at siriusxm.com. If you decide to continue your Sirius services at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call SiriusXM at 1-866-635-2349 to cancel. Programming subject to change. Sirius satellite service available only to those at least 18 and older in the 48 contiguous U.S., D.C., and PR (with coverage limitations). Traffic information not available in all markets. See siriusxm.com/traffic for details. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. ^[10]When properly equipped. ^[11]The Advanced Front Air Bags in this vehicle are certified to the new federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. ^[12]ON THE JOB is a retail incentive program. See your dealer for official program rules. Inquire about eligibility by calling 877-ONTHEJOB or by logging on to the chryslerbusinesslink.com/programs_incentives.html. The purchaser or lessee must be a qualified commercial customer for more than 30 days prior to the date of vehicle purchase. An official ON THE JOB Customer Acknowledgement Form must be signed by the customer (provided by the dealer).

5-YEAR/100,000-MILE POWERTRAIN LIMITED WARRANTY. Transferable. See your dealer for complete details and a copy of the 5-Year/100,000-Mile Powertrain Limited Warranty. **3/36 BASIC LIMITED WARRANTY.** Ram vehicles are covered by a Chrysler Group LLC 3-Year/36,000-Mile Basic Limited Warranty. See your dealer for a copy of this Limited Warranty. Excludes normal maintenance and wear items. **BUSINESSLINK** If your business relies on vehicles, BusinessLink can save you time, money, and hassles. For more, log on to chryslerbusinesslink.com or call us toll-free at 877-2THELINK (877-284-3546). **CHRYSLER SERVICE CONTRACTS.** Chrysler Group LLC has a vested interest in your satisfaction and owner experience with your new Ram vehicle. Chrysler Group LLC Service Contracts offer extended service plans to help ensure that you'll enjoy your Ram for many years down the road. For more information on comprehensive vehicle coverage, see your Ram dealer, call 800-442-2666, or visit dodge.com/csc specifically for your Ram vehicle for exceptional fit, finish, and performance. Visit your dealership or mopar.com. **Uconnect.** With Uconnect, you're always connected — to people, places, music, movies, and the Internet. **SiriusXM SATELLITE RADIO** delivers over 130 channels, including commercial-free music, plus the best sports, news, talk, comedy, and entertainment. Factory-installed SiriusXM Satellite Radio includes a one-year subscription. For more information, go to siriusxm.com. **RAM OUTFITTER** is a collection of handpicked items bearing the Ram name — from apparel to tools for work and play. It's all found at ramtrucks.com/outfitter. **AUTOMOBILITY.** Chrysler Group LLC's Automobility program provides aftermarket reimbursement incentives on adaptive vehicle upfit equipment in order to help provide safe and reliable vehicle modifications to enhance accessibility for all people. For more information, call 800-255-9877 or visit chryslerautomobility.com. **RAM® MASTERCARD.** Earn 3 points on qualifying purchases made at Chrysler Group LLC dealerships, 2 points per \$1 on qualifying travel purchases and 1 point per \$1 on qualifying purchases everywhere else with the new Ram MasterCard. Points may be redeemed at your local dealership for cash off your new or used vehicle, accessories, parts, or service — including your next oil change. Or choose from hundreds of other rewards, including travel, cash back to your account, merchandise, or gift cards.¹ For more information or to apply, visit RamCard.com. ¹Complete details, including restrictions, limitations, and exclusions, will be available when you become a Cardmember. This card is issued by First Bankcard, a division of First National Bank of Omaha, pursuant to a license by MasterCard International Incorporated.

About this catalog: Since the time of printing, some of the information you'll find in this catalog may have been updated. Ask your dealer for details. Some of the equipment shown or described throughout this catalog may be available at extra cost. Specifications, descriptions, illustrative materials, and all competitive comparisons contained herein are as accurate as known at the time this publication was approved for printing. Chrysler Group LLC reserves the right to discontinue models at any time or change specifications without notice or without incurring obligation. All options are required in combination with other options. For the price of the model with the equipment you desire, or verification of specifications contained here, see your Ram dealer.
